| ITEM NO. | FILE CODE     | DESCRIPTION                                                                                                                                       | DATE    | COPIES |
|----------|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------|---------|--------|
| 1        | 6.2.b.1.8     | Weekly Progress Report for two weeks of September 08 through September 21, 2000                                                                   | 9/22/00 | 3      |
| 2        | 4.5.b.4.78    | TEM sample results for the highest counts collected on each of six days (August 22,23,24,25,28,and 29, 2000) and analyzed by R.J. Lee Group, Inc. | 9/22/00 | 1      |
| 3        | 4.5.b.2.55-57 | Personal Air Sample Results for 9/12/00                                                                                                           | 9/12/00 | 1      |
| 4        | 4.5.b.4.55-56 | Inside/Outside Work Area Air Sample results for 9/12/00                                                                                           | 9/12/00 | 1      |
| 5        | 4.5.b.4.57-58 | Perimeter Air Sample Results for 9/13/00                                                                                                          | 9/13/00 | 1      |
| 6        | 4.5.b.4.59-60 | Mine Glory Hole Work Area and Personal Air Sample Results for 9/14/00                                                                             | 9/14/00 | 1      |
| 7        | 4.5.b.2.58-60 | Personal and Excursion Air Sample Results for 9/15/00                                                                                             | 9/15/00 | 1      |
| 8        | 4.5.b.4.61-62 | Perimeter Air Sample Results for 9/15/00                                                                                                          | 9/15/00 | 1      |
| 9        | 4.5.b.4.63-65 | Mine Glory Hole Work Area and Personal Air Sample Results for 9/15/00                                                                             | 9/15/00 | 1      |
| 10       | 4.5.b.2.61-63 | Personal and Excursion Air Sample Results for 9/16/00                                                                                             | 9/16/00 | 1      |
| 11       | 4.5.b.4.66-67 | Perimeter Air Sample Results for 9/16/00                                                                                                          | 9/16/00 | 1      |
| 12       | 4.5.b.2.64-66 | Personal and Excursion Air Sample Results for 9/17/00                                                                                             | 9/17/00 | 1      |
| 13       | 4.5.b.4.68-71 | Inside/Outside Work Area and Perimeter Air Sample Results for 9/17/00                                                                             | 9/17/00 | 1      |
| 14       | 4.5.b.2.67-69 | Personal and Excursion Air Sample Results for 9/18/00                                                                                             | 9/18/00 | 1      |
| 15       | 4.5.b.4.72-75 | Inside/Outside Work Area and Perimeter Air Sample Results for 9/18/00                                                                             | 9/18/00 | 1      |
| 16       | 4.5.b.2.70-72 | Personal and Excursion Air Sample Results for 9/19/00                                                                                             | 9/19/00 | 1      |
| 17       | 4.5.b.4.76-77 | Outside Work Area and Perimeter Air Sample Results for 9/19/00                                                                                    | 9/19/00 | 1      |
| 18       | 4.5.b.2.73-75 | Personal and Excursion Air Sample Results for 9/20/00                                                                                             | 9/20/00 | 1      |
| 19       | 4.5.b.4.79-80 | Outside Work Area and Perimeter Air Sample Results for 9/20/00                                                                                    | 9/20/00 | 1      |
| 20       | 4.5.b.2.76-78 | Personal and Excursion Air Sample Results for 9/21/00                                                                                             | 9/21/00 | 1      |
| 21       | 4.5.b.4.81-82 | Outside Work Area and Perimeter Air Sample Results for 9/21/00                                                                                    | 9/21/00 | 1      |
| 22       | 4.5.b.4.83-85 | Mine Glory Hole Work Area and Personal Air Sample Results for 9/21/00                                                                             | 9/21/00 | 1      |
